Treasurer's Report: Balance \$2106.23. The Club Championships are the biggest expense \$604.59.

Web Page: TDplayers/matchpoint gives access to the website. There is a volunteer list on the website. The website needs to be updated to reflect current events.

Upcoming Events: The Olympic Event scheduled for 8/4 may be cancelled due to a small signup. The decision will be made on 8/2. Games and a culinary appetizer competition were to be a part of the program. Sausage Slam:8/11 Isabel will do the shopping. John, Mickey and JoAnn will help. We will check the volunteer roster for more help. The election ballots for the new board members will be given out at the slam. Gina and JoAnn are up for election. Linda and Lois will be leaving the board. We can have 7-9 board members according to our by-laws. Dennis Matthews was suggested as an additional board member. Boot, Scoot and Boogie on 8/18. Cleanup is an issue and Gina volunteered to help Bev. Professional Line dance people have been hired for the event.

Board Member Recommendations: It is dark on the walkway between the tennis courts and the parking lot when leaving the facility after evening events. John will talk to Ian. It was suggested to revamp the club championships. There were non-members and a pro playing, more players needed, guests should pay more, match making and more equality needed. Further discussion was tabled until the next meeting. More visual reminders for events are needed rather than just on-line.

Proshop communication could be improved, flyers in proshop advertising events, more bulletin board and bathroom flyers, and having a board member be the communications person next year. There will be another Pines to Palms event in LaQuinta in the fall.

Next Meeting: 8/23 at 4pm. (which has been changed to 9/5)
