

Tennis Board Meeting, 18 Jul

Attended: John McGregor, JoAnn Peterson, Izzy Taylor, Mickey Forsberg, Ron Kahn, Bev Hovorka, Ian Mindell & Gina Biondi

Treasurer's report: Mick reported that we have \$3,038.98 in the bank. \$360 was deposited after the Burger Bash, a combination of about \$200 of guest fees from the event, and the remainder from new Tennis Club membership.

Burger Bash: The event was very successful (see treasurer's report above). It was noted that before burgers are served, only chips & salsa are out. This way, the pot luck dishes will be eaten with the burgers, not before.

Upcoming events:

Chairman's Hour: About 85 people have signed up so far for the event. Usually 25-30% more show up who weren't signed up ahead of time. Those helping are asked to show up between 5 & 5:45. JoAnn noted that there were a few people at last years event who were so drunk they shouldn't have driven home. It was suggested that a bowl, with a sign, be placed in a prominent place where people can put their car keys if they feel they shouldn't drive home. We'll either drive them or arrange their transportation home. Bev reminded us that the tango dancers are performing for free. She asked us to be sure to encourage dancing and to thank the performers.

Doubles Tournament: This year's tournament is member/guest. Tennis club members will be charged \$10, and guests \$15, per person, per event (day). A portion of the fee will be for prizes, and a portion to help with the cost of food. Lunch this year will be provided by Full Belly Deli. Izzy will provide breakfasts. Set up is at 7:30 each day with play beginning at 8:30.

Boot, Scoot & Boogie (8/3) and Burger Bash (8/10): A memo will go out asking who can help with each of these.

Mick brought up an idea of having late afternoon tennis "play days" where people would sign up; tennis would be organized by ability levels and played round robin; and beer/wine, popcorn & pizza would be provided by the tennis club. We might try to organize one of these mid-week in August before schools start. This would be a trial run for an ongoing activity next year.

Next Mtg will be a yearly wrap-up in late Aug. Also yearly elections will be held during our last Burger Bash for Board Members for 2014 season.
